##### **Lazer Maze**

In the new, massive 4,000-square-foot, two-story **OK Corral Lazer Tag Arena**, which opened in February 2014, guests are able to challenge their family and friends to a showdown! Up to 30 players at a time can make their way into the Town Square and compete for the top score, all while avoiding shots from other players! Players can hustle up ramps to the second floor to take aim over railings at unsuspecting outlaws below. Participants can also explore a saloon, fort, jail and covered wagon, all while collecting points and taking points away from other players! It's a fun and active attraction the whole family can enjoy time and time again!

In the old days, boomtowns were always looking for hired guns to act as the Law. Now, guests can see if they have what it takes to become a Deputy when they go through the **Marshall Training Lazer Maze**, which opened in February 2014. It takes speed and agility to successfully navigate through this maze. Guests who break a beam have their time penalized. Only those with best times are named, "Marshall".
